Individual Board Member's Authority and Duties

An individual Board member exercises the authority and responsibility of his/her position when the Board is in legal session only.

A member of the Board has the authority to act in the name of the Board when authorized by specific motion of the Board.

A Board member has the right to express personal opinions. When expressing such opinions in public, the Board member must clearly identify the opinions as his/her own.

Members will keep themselves current by requesting information through Board action, as well as by information supplied by the superintendent and information gained by participating in Board professional activities.

Members of the Board will adhere to the following procedures in carrying out the responsibilities of Board membership:

1. Request for Information

Any individual member of the Board who desires a written report or a survey prepared by the administrative staff will make such a request to the superintendent. A copy of such material may be available to each member of the Board. Requests for reports or information which require additional expense to the District must be submitted to the Board for consideration.

2. Requests for Legal Opinions

Any member of the Board may request a legal opinion. Such request, however, should be made through the Board chair to the superintendent. If the legal opinion sought involves the superintendent's employment or performance, the request should be made to the Board chair. Legal counsel is responsible to the Board.

3. Action on Complaints or Requests Made to Board Members

When Board members receive complaints or requests from staff, students or members of the public, such information is to be conveyed to the superintendent for action.

4. Board Member's Relationship to Administration

Individual Board members will become informed about the educational program of the District, may visit schools or other facilities to gain information required to become so informed and may request

information from the superintendent, but will not intervene in the administration of the District or its schools.

5. Contracts Made By Individual Board Members
