Notification of Board Meetings

Notices of regular, special and executive meetings shall be sent to the local newspapers and radio stations so that the public shall be adequately informed of the time, place and principal subjects to be considered.

Notices to individuals with disabilities shall be given in an appropriate form upon request and with appropriate advance notice. Auxiliary aids and services available to ensure equally effective communications with qualified persons with disabilities may include large print, Braille, audio recordings and readers. Primary consideration will be given to the requests of the person with a disability in the selection of appropriate auxiliary aids and services.

If only an executive session will be held, the notice will state the specific provision of law authorizing the executive session.

No special meeting will be held without at least 24 hours notice to the Board members and the general public except in case of emergency.

In the case of emergency, a meeting may be held upon such notice as is appropriate under the circumstances, but minutes will explain the emergency situation.

Dates of regular meetings of the Board will be provided to District employees, interested members of the public and the news media.
